## PICT CSI Student Branch

PICT CSI Student Branch, working under CSI, was established in 2016 with an objective to facilitate research, knowledge and career enhancement for the students, along with inspiring and nurturing new entrants into the industry. It provides a platform for technical and non-technical education.

One of our key strengths at PCSB is our rate of growth in a short span of time. We take pride in the fact that we are one of the best student communities in Pune, still growing at this exponential rate.

- ❖ We have teams for all technical domains that include Website Development, App Development, Machine Learning and Competitive Programming.
- ❖ We conduct various Events and Seminars throughout the year including Xenia.
- ❖ We have a team of 400+ dedicated members.

XENIA is an Annual Technical Fiesta organized by PICT CSI Student Branch, formerly known as Enthusia. It is a three day technical fest where bright minds all around participate to compete amongst themselves. The organizing team in XENIA consistently strives in exploring various technologies and brings you the most innovative events. XENIA emphasizes on the technical events while also bringing you the opportunity of participating in various ingenious non-technical events.

- ❖ 8 Technical Events.
- ❖ 8 Non - Technical Events.
- ❖ Numerous Webinars and Technical Workshops.
- ❖ Build Up Events throughout the week for Networking.
- ❖ One of the Biggest Virtual Events having wide reach across the student communities in Pune as well as India.
- ❖ All events and workshops will be conducted free of cost.
- ❖ Registrations will be open for students of all colleges and branches.
- ❖ Cash Prizes Upto Rs. 1,00,000/-
- ❖ Additional Monetary Benefits include Internships, Project Sponsorships, Startup Fundings and other Opportunities.

**1. The Ultimate Test:**

A player has to participate individually in this round. It will be hosted on (a fantasy cricket platform name). Round 1 will be held between 18<sup>th</sup> – 22<sup>nd</sup> June.

**2. The Quiz:**

Top 10% participants qualifying Round 1, will be eligible for this round. (At most 25 candidates would be shortlisted) This would be a Kahoot quiz round.

**3. The Auction:**

Top 8 players qualifying round 2 will be shortlisted for Round 3, which would be THE AUCTION. Players are supposed to build the Strongest Team to Win.

**REGISTRATION:**

1. Participants can register through the Xenia web Portal or Application.
2. Participants must have a (Dream 11) account and are supposed to enter their (Dream 11) Username while registration.
3. Participants are supposed to register individually for Round 1.
4. As round 3 is a team game, winners of round 2 are supposed to make a team of 4 players for round 3 (The other Team members must have played round 1).

**ROUND 1:**

1. Round 1 is a Fantasy Sports game, which will be played on (Dream 11), between 18<sup>th</sup>-22<sup>nd</sup> June.
2. This round is based on the ICC WTC Final, which will be held at Hampshire Bowl in Southampton, England between India and New Zealand.
3. In this Round, a (Dream 11) contest will be created, contestants are supposed to make a team consisting of the Players of both the teams (India and New Zealand).
4. The points System will be the same as that of on (Dream 11).
5. Top 10% contestants will qualify for Round 2.

**ROUND 2:**

1. This round is a quiz round. It will be hosted on Microsoft Teams and Kahoot platform.
2. The participants are supposed to answer the set of questions provided.
3. Be quick and accurate.
4. Top 8 contestants will qualify for Round 3.
5. If any contestant from Top 8 doesn't show up on the day of Auction, the next contestants will get a chance to play Round 3.

**ROUND 3:****1. Team Formation:**

- a. The Player qualifying, Round 2 is supposed to make a team of 4 members.
- b. The other 3 members can be anyone who has participated in round 1.  
(Except for the other 7 winners of round 2.  
Note that the other 3 members must have played round 1).
- c. You are supposed to make the team before the deadline and submit it to the event coordinators. The name of your team must be unique. (If there is any clash in the team names, coordinators are allowed to interfere, and one may have to change the name. )

**2. Preparatory Days:**

- a. As Auction is all about strategy, you will be given some days to prepare for it.
- b. You will be provided with certain player statistics, ratings and base price.
- c. You are supposed to make the best possible team satisfying all the given constraints.

**3. How to play?**

- a. There will be 8 teams competing for the winner's title.
- b. Each team will have a budget of 80 Cr, to buy the players.
- c. Each player will have a base price from which the bidding will start.  
(There is no maximum price to buy a player.)
- d. The Auction Will be Hosted on Microsoft Teams platform.
- e. You are supposed to download the CricAuc app, where all the bidding will take place.  
(<https://play.google.com/store/apps/details?id=com.prem.cricketauction>)
- f. A discord server will be made, consisting of 8 rooms for respective teams.  
Here the teammates can have discussion during the auction.

- g. Each Discord room will have an event representative. In case of any difficulties such as network issues you can contact him/her.
  - h. During the auction, players will be divided between some SETs, the player being auctioned will be displayed both on the Microsoft Teams and app. (only one of you is supposed to use the app for bidding). The team which bids highest gets the player.
  - i. After each set there will be a short break of 5 minutes so that respective teams can discuss the strategy.
  - j. Once a player is Unsold he remains unsold, there will not be any rebidding for him.
  - k. After the auction is over, if a team fails to complete the Team-Constraints, the team will be disqualified. (The team constraints are mentioned further in the Rule-Book)
4. **Team-Constraints:**
- a. There will be a total of 137 players, who will be auctioned.
  - b. A team must consist of a minimum of 11 players and maximum of 13 players.
    - i. **Batsmen:** Minimum (3) & Maximum (6)
    - ii. **Bowlers:** Minimum (3) & Maximum (6)
    - iii. **Wicketkeepers:** Minimum (1) & Maximum (3)
    - iv. **All Rounders:** Minimum (1) & Maximum (3)
    - v. **Overseas Players:** 4 players are required to play 11.  
(You may buy at most 5 Overseas Players)
    - vi. **Uncapped players:** At least 1 player is necessary in playing 11.
  - c. **NOTE:**
    - i. The number denoted in round brackets after minimum is the minimum number of players necessary in the playing 11.

- ii. The number denoted in round brackets after maximum is the maximum number of players allowed in the playing 11.

#### 5. Points System:

- a. Every player in the Auction will have a certain rating out of 10.  
For example: Rohit Sharma has a rating of 9.5/10.
- b. After the Auction is completed, each team has to submit their playing 11 (which must be satisfying all the team constraints.) to the event coordinators.
- c. You are also supposed to assign the Captain and Vice-Captain of the team. Captain has 1.5 fold (1.5x) points and Vice-Captain has 1.2 fold (1.2x) points. (These are the C-VC Multipliers)
- d. The coordinators will verify whether your team is as per the given constraints or not. If not, then the team will be disqualified.
- e. The total points will be the sum of the ratings of the playing 11 (After multiplying by C-VC multipliers)
- f. **Note that only the ratings of playing 11 will be considered, and not the other remaining members of the squad.**
- g. In Case of tie between the points of two teams, the team with highest TIE-POINTS will be considered up in the table.  
**TIE-POINTS:** The sum of remaining budget and buying price of remaining members of the squad.
- h. If both the teams tie again by the above-mentioned criteria, then the team with the highest remaining budget will be considered up in the table.
- i. If the tie continues even now, both the teams will be considered at the same position.

- j. The team to top the table will be considered as the winner. (The table will be in descending order of points i.e., the team with highest points will be on top)

**IMPORTANT INSTRUCTIONS:**

1. Once a player is sold to a particular team, no other team can bid for the player in the app. If someone does so there may be some serious consequences. (Which may include disqualification.)
2. Our representatives will be collecting all the data regarding the players bought, players unsold, budget remaining, sold price etc. this data will be considered as final.
3. The meeting will be recorded, any type of misbehave can lead to disqualification of the entire team.
4. Players are advised to use 2 devices during the auction, one for the Microsoft Teams Meet and the other for Discord. The player using the CriAuc App should have good Network connectivity.
5. If there is a genuine issue, we may understand it and wait for 2-3 minutes to resolve the issue.
6. All The Best for the Auction!!!!
